

# Walter Is Protested By Bankers' Team

**American Security Claims Manhattan Player Is  
Not Registered with Amateur Commission.  
Post-office Grievance Also Received.**

Along with the Post-office protest, which has been received by President Young, comes a protest from the American Security and Trust Company team against the Manhattan club, of the Independence League.

This protest is on the grounds that "Monk" Walter is not registered with the amateur commission and, therefore, is not eligible to play in the post-season series.

Should this protest hold, and, in the opinion of one of the highest officials of amateur ball in the District, it will, then the Bankers will have a clean sheet and will have clear sailing for the title in Division B, of Section A, should they defeat the Petworth team to-day.

This will be a hard proposition for the Bankers to meet, and while it meets to-morrow night in President Young's office and the protest of the Post-office team will be thoroughly aired. It was learned late last night that should Petworth defeat the Bankers to-day in Division B of Section A, then the Petworth team would protest "Monk" Walter's eligibility. This will put the Bankers and Petworth on the same footing and will cause a tie in the standings.

Rumor has it that the Southland club, winners of the pennant of the Olympia League, would protest the eligibility of Jones and Donaldson, of the Naval Medicine. This protest will be based on their not playing in five games in the regular schedule. This had not been received by President Young at a late hour last night.

Jack Spaulding had a better day with Lynchburg yesterday. Out of four trips to the plate he slammed out a double and handled six chances in major league style. This is a much better showing than that of Monday.

President Young, of the amateur commission, received a letter from Secretary Hooper, of the Richmond commission, in which the Southern official stated that the arrangements made for the intercity games were satisfactory and that the Richmond team would be here on Labor Day. Now it is up to us.

"Curley" Brown, the Washington boy who has been playing with the Charleston team of the South Atlantic League, is back in town. The Sally circuit is due to blow about the 25th of the month, and as "Curley" has been sick the past three weeks, he decided to return to his old stomping ground, "Curley" hit the ball to all corners of the lot up to July 15, when he was taken sick, and from then on he played in about half of the games. "Curley" is still the property of the Charleston club.

## CAPITALS STILL WINNING.

The crack Capital Athletic Club defeated the strong Crescent Athletic Club in the latter's grounds in a well-played game, 4 to 4. The Capitals won out in the last inning on Tont's Russo's home run with two men on the bases. The features of the game was the batting of Tont Russo, who got three hits out as many times at the bat and the pitching of Shulin. The Capital Athletic Club claims the championship of Washington and is ready to defend it against all teams. Score:

## TWO RECORDS SET.

Evelyn Paces Mile in 2:02 1-4, the Fastest Yet. Columbus, Ohio, Aug. 22—Two more world's records were added to-day to the three previously established during the present International Breeders' race meeting. These occurred in the Champion Sweepstakes for pacers. Evelyn W., the Cleveland mare, with the Abbe and Walter W., made up the field to race against Earl, Jr. The latter was an overwhelming favorite.

Evelyn W. won the first heat in 2:03 by a length, but Earl, Jr. took second in 2:04. In the third heat Evelyn W. won in 1:58. The race also was the fastest four-hundred race ever paced, thus setting two world's records in the one event.

Le Duc had the Canaries eating out of his hand throughout the contest, allowing but six hits, which he kept well scattered, and fanned six batters. Andrews had men left on the bases in every inning, but the necessary hit was not forthcoming.

## NOTES OF THE GAME.

Le Duc was the all-around star of the matinee. Besides twirling his team to victory, he connected for three bingles—a double, and a pair of singles, out of four trips to the plate, scoring one of the five runs, and pilfered three bases.

"Lefty" Cleveland umpired a good game, not a single kick being registered against his decisions.

Clayton pulled some catch in the sixth inning. "Joe" Mulvey lifted one of Le Duc's shoats to left field that bid fair to net Mulvey four sacks, but Clayton captured the ball while on the full run after a ten-yard sprint.

Moore's three-base clout landed in Kenyon street.

Each team had the same number of at-bats and errors. Twenty-six at-bats on each side and two mistakes chalked up against each of the teams.

Howell was the only Canary to connect for more than one hit. The blond boy making two hits out of three times up. He fielded his position well, accepting seven chances without a slip-up and making several difficult stops.

Andrews had a total of eight men left on the bases in the seven innings.

Milans was doing some base running in the fifth round. The fast second sacker stole second and third, but died there, as Schwiegler and D. Mulvey were easy outs.

A good crowd was on hand to witness the contest, about 2,000 enthusiastic fans being present.

In the seventh Milans bunted in front of the catcher's box, but "Country" Morris was right on the job and threw the runner out at first.

Milans made a pretty catch of Jones' pop fly behind second in the seventh inning.
